<u>Law Clerk Comments</u>
The Appellees' Brief is rejected for the following reasons:
1. Date in lower left corner of cover page is incorrect (says August)
2. In the Table of Contents, the Statutes and Rules start on page iv not iii. This error should be corrected.
3. The brief uses "*Id.*" to refer to the record, please replace with references to pages in the record (for an example of this issue, please see the bottom of page 3)
4. The brief does not use the correct short form of citations to cases. For example, the brief refers to "*Green, supra.*, p. 39" on page 39 of the brief. A reader then has to flip back to the Table of Contents to determine which case is being cited, the reporter, etc.. This issue should be corrected throughout the Argument section.

The excerpt is rejected for the following reasons:
1. They need to include a complete Table of Contents with each volume of the excerpt. The first page is missing from both Volumes II and III.
2. They also have some pages in the excerpt with numbers on the side, rather than the bottom of the page
